About Us

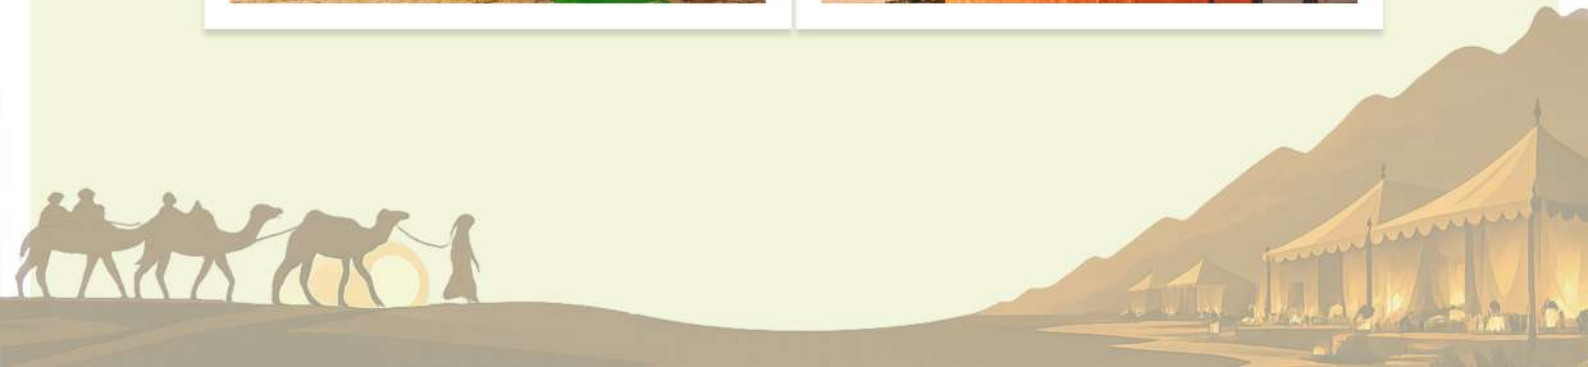

Set against the historic landscape of the Longewala Border in Ramgarh, Jaisalmer, Sayar Triveni Desert Oasis Resort offers a chance to experience the Thar Desert at a slower, more meaningful pace. Away from the usual tourist routes, the resort is surrounded by vast desert landscapes, open skies, and the quiet charm of rural Rajasthan. Here, the desert is more than just a backdrop—it is part of the culture, history, traditions, and everyday life of the region. The resort brings together warm Rajasthani hospitality with authentic desert experiences, wellness, adventure, spirituality, and meaningful local interactions. Guests can explore the region's rich history with visits to Tanot Mata Temple and the Longewala War Memorial, enjoy camel rides across the dunes, watch beautiful desert sunsets, take peaceful nature walks, or gather around a cosy bonfire in the evening. Yoga, meditation, and wellness experiences offer moments to slow down and reconnect, while agro-tourism experiences provide a glimpse into traditional farming, local irrigation practices, and the resilient lifestyle of desert communities. Whether you are looking for adventure, history, spirituality, wellness, or simply a peaceful escape, Sayar Triveni invites you to discover a quieter and more authentic side of Jaisalmer—one where you can connect with the land, its people, and the timeless spirit of Rajasthan.
